JAMIKS

about us

JAMIKS is a polish family company with 32 years of experience. We specialized in designing and manufacturing hats for kids and adults, as well as cloths and accessories for newborns. Exclusive and natural fabrics, high quality decorations, modern prints and fashionable colors, sophisticated stitching and highest quality finishing it what distinguishes our products among the competition.

In our offer you will find: hats, headbands, scarfs, bodysuits, babygrow, elegant dresses, rompers, blabnkets, newborn nest, swaddles, footmuff, bedding.

As a joint work of parents and a daughter, the wide range of experience is combined with fresh ideas.

Because every step of a product creation takes place at our company, we are able to fully control the whole value chain from the desing till the shipment.

our aim

Our goal is to meet the expectations of young parents willing to dress their kids they way they feel stylish, comfortable and safe.

Therefor the fabrics we use are super soft and 100% natural like: organic cotton, linen, bamboo.

20	35	40	100
JAMIKS is available in boutiques in 20 countries all over the world	Next year, we'll celebrate an anniversary- 35 years of JAMIKS	we employ 40 people	we control 100% of production process, the whole value chain - from the desing till the shipment

natural

Our products are made from carefully selected fabrics, which are safe for newborns and kids. They must be soft on the skin, breathable and easy-to-wear.

WHY BAMBOO IS SO SPECIAL:

- Delicate as silk
- Allergen-free
- Antibacterial
- Hypoallergenic
- Fungicidal properties
- Breathable and fresh (bamboo viscose sterilizes itself by 30%)
- UV protection
- Free from pesticides and pollution
- eco-friendly

100% natural, soft and safe

organic cotton	cotton + linen	bamboo	mercerized cotton
----------------	----------------	--------	-------------------

The yarn we buy comes from Italian factories known and appreciated for its high quality and Eco-sustainability.

5% Cashmere Viscose Wool and Polyamide, uses GRS certified fibers from recycling processes with a great saving of electricity, water, CO2 emissions and the use of chemicals.

When it comes to Merino blend - 50% of wool fiber comes from the recycling technique as well as 20% of polyamide, both GRS certified.

The yarn do not contain dye-stuffs which could set free the amines listed in to the German decree dated 15 / 07 / 94.

Our suppliers are certified with the following standards:
